ADDRESSING THE KEY ISSUES
FOR YOUR BUSINESS

TRADEMARKS

Issue: Do you have any European Registered Trademarks?

Tip: To ensure your brand is protected in the UK, consider registering a separate UK Trademark

DISPUTE RESOLUTION

Issue: You may lose the right to enforce UK judgements in an EU Territory

Tip: In appropriate circumstances, consider resolving disputes through arbitration

EMPLOYEES

Issue: Do you depend on EEA migrants to staff your business?

Tip: Migrant employees who have been in the UK for 5 years may be eligible for permanent residency regardless of Brexit

DISTRIBUTION AND AGENCY RELATIONSHIPS

Issue: Do you have any distribution or agency agreements for the territory of "the EU"?

Tip: Consider amending to refer to "the EU and the United Kingdom"

SUPPLY CHAIN CONTRACTS

Issue: Are you locked into contracts that will have an adverse impact in the event of a "No Deal"?

Tip: Consider agreeing a "Brexit Clause" to allow flexibility in dealing with currency fluctuations, tax, territorial applications, licencing and consents
