

## Managing the Risks: Successfully Funding a Renewables Project

Friday 13th June 2014, 12pm - 2pm.

The Private Dining Room,  
James Street South, Belfast.

Neasa Quigley, Head of Energy and Renewables at Carson McDowell, would like to invite you to an Energy and Renewables Seminar that Carson McDowell have organised in partnership with NORD/LB.

### Managing the Risks: Successfully Funding a Renewables Project

This lunchtime briefing will provide a guide to the key issues to consider when developing an energy project, identifying the fundamental issues that are vital to the funding of a project and providing valuable insight from a funder's perspective.

### Speakers & Topics

- **Successfully funding a renewables project: a funder's perspective** - Yuriy Davidov , Associate Director Structured Finance Europe - Energy Origination, NOORD/LB
- **Planning pitfalls: reducing risk before and after acquisition of renewable energy assets** - Gary McGhee, Head of Planning and Environmental Law at Carson McDowell and Grant McBurney, Associate in the Planning and Environmental Team at Carson McDowell
- **What a funder wants to see (and does not want to see) in your lease** - Dawson McConkey, Partner in the Real Estate Team at Carson McDowell
- **Funding structures: a legal overview** - Sinead McGrath, Partner in the Banking and Finance Team at Carson McDowell
- **Banker-friendly development – some typical issues** - Seán mac Cann, Associate in the Energy and Renewables Team at Carson McDowell
